

EXHIBIT – Applicant Classification (Question 12)

The applicant for these Experimental Licenses is the City of Dublin. The City of Dublin is a municipality in the State of Ohio with the mission to provide the best quality of life and environment in which our residents and businesses can thrive. We seek to ally our proud traditions with the best innovations of the future.

The City of Dublin supports the transportation system and promotes transportation initiatives in Dublin and across the central Ohio region. Dublin invests twenty-five per cent of the total City income tax collections to the Capital Improvements Tax Fund, as mandated by the voted levy. Additional investment is made each year, determined by needs identified through Dublin's Asset Management Program, for system preservation through maintenance programs and snow and ice operations.

The City of Dublin's Divisions of Engineering, Public Service, and Transportation & Mobility work together to build and maintain the transportation system to provide the safe and easy movement of people and goods from place to place.
