Subject: FCC File No. 0413-EX-ST-2014

---

Message:

OET comment: Since the locations are just a couple of seconds away from one another, there is no need to file 2 separate STAs. With your consent we will dismiss one of these 2 STAs. Please pick one.

LADWP response:

If we don't need to file 2 separate STA's, please dismiss application 0419-EX-ST-2014 for C2 turbine.

Thank you
