OET question: Please explain the difference between the referenced STAs No. 0419-EX-ST-2014 and 0413-EX-ST-2014

Explanation:

We want to test the BirdsVision equipment at 2 locations, C1 turbine and C2 turbine.

Two applications were submitted to shows the two separate locations:

• STA No. 0413-EX-ST-2014 for C1 turbine 35-15-45N, 118-12-02W

• STA No. 0419-EX-ST-2014 for C2 turbine 35-15-48N, 118-12-00W

If you have any question or required further information, I can be contacted at (213) 367-5884 or by email LAN.VU@LADWP.COM
