DISMISSED-WITHOUT PREJUDICE

Dear Lan Vu, Rm A-20,

This refers to application, File No. 0077-EX-RR-2002, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. In October 2001, the Commission adopted rules relating to the authorization of Inmarsat terminals. These types of operation are now licensed directly by our International Bureau. You no longer needed to obtain an experimental license. Accordingly, your application is being dismissed as moot. For further information, please contact Sylvia Lam at 202-418-0742.
