RE: Cobham Advanced Electronic Solutions, Inc.
Experimental Transmission in Lansdale, PA
FCC File #: 0171-EX-RR-2016
Renewal of Call Sign: WE2XDA

Dear. Mr. Rummel:

APCO-AFC is in receipt of your request via email for coordination of Cobham experimental license WE2XDA under FCC File #: 0171-EX-RR-2016.

APCO has completed its review of the application and related documents. APCO has determined that the experimental transmission at Lansdale, PA would not cause any harmful interference to Public Safety incumbents.

We do ask, however, that if Cobham operations cause any harmful interference to Public Safety incumbents, Cobham should cease operations on identified frequencies.

If there are any questions or concerns, please contact undersigned at (386) 944-2476 or email latiff@apcointl.org.

Sincerely,

Farokh Latif
APCO-AFC Director
