DARPA POCs:

Dr. Bruce Fette, DARPA WNaN PM: 571-218-4979

Mr. Vic Jaroch, DARPA WNaN SETA: 703-967-9435

With regard to documentation from AFRL and the Army, what documentation will suffice? I have asked DARPA for help this and expect to receive an email from AFRL and the Army indicating their support for authorization of these tests. Will an email meet the request to provide documentation?

Thank you ,
Ron
