Message:

1) Detail Narrative of Experiment:

- Experiment 1: Participate in truck platooning, across states MI, Ohio, and PA. (Form needs to be amended to include state of PA).
- Experiment 2: Participation in OmniAir PlugFest of Ohio, <https://omni-air.org/>, which includes live application testing at TRC.
- Experiment 3: Preparation for OmniAir PlugFest, with pre-testing near our offices in Indiana
- Experiment 4: On-site application testing at CAV manufacturing site, in IL.
- Experiment 5: Auditing Macomb County RSU installation, near Detroit, MI

2) Describe need form multiple states for operation:

- See above, 5 experiments, across 5 states, PA, OH, MI, IN, and IL. Please, can you edit the state list (or show me how)? I think PA was not included.

3) Requesting 12 units per state, or 12 units total?

- 12 units total. Experiments are not in parallel, so units can be reused.
