(File Number)

NAME Com-Net Ericsson Critical Radio Systems, Inc

Subject to the provisions of the Communications Act of 1934, subsequent acts, and treaties, and all regulations heretofore or hereafter made by this Commission, and further subject to the conditions and requirements set forth in this license, the licensee hereof is hereby authorized to use and operate the radio transmitting facilities hereinafter described for radio communications in accordance with the program of experimentation described by the licensee in its application for license.

Operation: In accordance with Sec. 5.202(e) of the Commission's Rules

Station Locations

(1) US

Special Conditions:

- (1) This authorization is issued solely for the purpose of making field strength surveys for sales purposes, pursuant to Sec. 5.202 (e) of the Commission's Rules, and on frequencies specified in Part(s) 21, 25, 80, 87 and 95 of said Rules. However, no operation shall take place until the requirements of Sec. 5.205(a) and (b) have been met.
- (2) Upon separate request in the form of a letter* or telegram* specifying the purpose of the request and all information required by Section 5.202(a), the Commission may authorize the use of a specific frequency(ies) at a specific location for a limited period of time to permit the particular survey or demonstration described in the request. Operation of this station in any manner other than as outlined herein is prohibited. Equipment: FCC Type Accepted or Type Approved.
- (3) Frequency Tolerance: As specified in applicable service rules.
- (4) *Addressed to Secretary, Federal Communications Commission, Washington, D.C. 20554.

This authorization effective February 27, 2001 and
will expire 3:00 A.M. EST March 01, 2002
