Application Narrative for Proposed Equipment

Proposed Program

Command Alkon is proposing GPS within their laboratory for testing purposes.

Objectives

We seek to accomplish the following objectives:

1. Illumination of the part of the laboratory, located at 6750 Crosby Ct., Dublin, OH with a GPS signal to allow for the testing and experimentation indoors for continued exploration of utilizing GPS technologies within their handheld receivers to provide innovative applications and continue to provide safe products.
2. Further design, development and enhancement of existing GPS applications to provide greater efficiency and more effective means of utilizing GPS derived information.
