OET File No. 0454-EX-PL-2010

Commtact, Ltd

The intended purpose of the **MOST (MO**bile **S**atellite **T**erminal) units for which OET authority is sought is to allow testing and demonstration of the equipment and related spectrum use. Your applicant anticipates that demonstrations and testing, conducted under an OET authorization, will permit the applicant to continue improving the MOST units so that persons testing or demonstrating the equipment can maximize the efficiency of the required spectrum and allow all users of the band to interoperate with maximum efficiency.
