Mr. Zucherman,

Your application is under review by our International Bureau. And I just received a request for you to provide the SpaceCap file to include the additional radio operations.

Good day Anthony Serafini and Behnam Ghaffari,

I believe you are the FCC contacts for the CisLunar (0295-EX-CR-2018). I am the current team leader and I wanted to inquire about the status of the modification of our licence (mod application 0170-EX-CM-2019). Thank you
