Subject: Additional Information Request

Message:

- 1) The technical description says satellite will be launched in 2020. Is this still accurate? If not provide an updated experiment narrative. Verify all the other details in your technical description as well.
- 2) Provide SpaceCap Calculations (MDB file). Verify that the information in your form 442 matches to that in your SpaceCap. Please remember to correct all the fatal errors in the SpaceCap file.
- 3) Provide a completed NTIA Space Record data form.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of December 02, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
