Subject: Additional Information Request

Message:

The version of DAS (2.1.1) used in the analysis is out-of-date. The current version of DAS is 3.1.1. Please obtain the current version of DAS and confirm the collision risk numbers for both the stowed and deployed configurations continue to meet the requirement.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of January 14, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
