Subject: Request for Info - File # 0264-EX-PL-2016

Message:

This correspondence is for Anthony Serafini. POC on the correspondence.

Cornet Technology would like to amend our original STA submission (file number 0264-EX-PL-2016) and adjust our requested window from 12 months to 6 months. Please advise how we should proceed. Is this something you can do in the data base or do we need to amend our filing on your web site?
Thank you.
