

Memorandum of Understanding

Between the Cape May County Prosecutor's Office

And

All Municipal Jurisdictions within Cape May County

For the use of radio frequencies related to Testing and Evaluation of a P25 Trunked Radio System as well as Multiband Public Safety Radios by the National Law Enforcement and Corrections Technology Center Communications Technologies Center of Excellence

1. **Parties:** The Parties to this Agreement are the Cape May County Prosecutor (Prosecutor) and the Municipalities of Cape May County (Municipalities).
2. **Supporting Parties:** Other parties participating in the project include the National Law Enforcement and Corrections Technology Center Communications Technologies Center of Excellence, a program of the United States Department of Justice, Office of Justice Programs' National Institute of Justice (COE), and various vendors.
3. **Background:** Together with the COE and the Vendors, the Prosecutor's Office is conducting a Pilot Project (Project) for the testing and evaluation of a P25 Trunked Radio System as well as Public Safety Multiband Radios provided by various Vendors. In order to conduct the Project, the Prosecutor wishes to make temporary use of all Municipal radio frequencies in the County, to be used in new Multiband Publics Safety Radios from Vendors capable of tuning VHF, UHF, 700 MHz and 800MHz (136MHz to 870MHz) in one radio. If successful this project will provide the County with complete radio interoperability.
4. **Purpose:** The purpose of this Agreement is to set forth the permissions for the Project to use a Municipality's radio frequencies to communicate with that municipality's agencies for the duration of the Project.
5. **Future use:** After the project period, the frequencies will be used for interoperable communications among and between all county agencies and municipalities.
