Dear Sir or Ma'am,

The County of Fairfax, Virginia is submitting its application for Experimental Radio Service authorization, for 442 with exhibit. This application seeks reinstatement of previously held authorization under KI2XED (copy attached). The County wishes to operate its airborne video system under this requested authorization pending upgrade replacement of major system components and re-licensing in the appropriate service as outlined in Exhibit 1.

If you have any questions or require further information, please contact me at 703-324-4385 (or via email at james.stoneback@co.fairfax.va.us).

Respectfully Submitted,

James Stoneback
Systems Engineer/Manager
