

FCC Experimental License Application – Stop Buzzer Information

The Oneida County Griffiss International Airport (RME) New York UAS Test Site understands that the operation of our SRC, Inc. LSTAR SRC-1494(V)2 AN/TPQ-49 radar will be on a secondary non-interference basis. In the event interference complaints were to occur, the New York UAS Test Site has taken preventative measures to cease transmission until they can be resolved. The New York UAS Test Site has established a Stop Buzzer point of contact to quickly react with any interference complaints that may result from use of our system. The point of contact for the New York UAS Test Site is:

Point of Contact	Telephone Number
Stop Buzzer (Primary)	(315) 736-4171
Stop Buzzer (Secondary)	(315) 316-7853
Stop Buzzer (Tertiary)	(315) 709-7695
