Re: Experimental Station KF2XJZ
Request for Special Temporary Authority

Granted 6/25-EX-AL-98
instead.

DJ 4/21/98

Dear Sir or Madam:

On behalf of Cox Radio, Inc. ("CRI"), assignee of the above-referenced Experimental Station, we hereby request Special Temporary Authority ("STA") for CRI to operate the station pending the grant of a *pro forma nunc pro tunc* assignment of license application filed concurrently with this request.

In the *pro forma* application, CRI seeks Commission consent to the assignment of the license of the station from KFI, Inc. ("KFI") to Cox Radio, Inc. As explained therein, KFI filed an application to assign the licenses of co-owned radio broadcast stations KFI(AM)/KOST(FM), Los Angeles, California, and KACE(FM), Inglewood, California, to CRI in applications which were approved by the Commission, pursuant to authority delegated to the Mass Media Bureau (BAL/H-960823GG-GI *et seq.*) and consummated on September 30, 1996. Inadvertently, an application for the *pro forma* assignment of the experimental license was never filed. KFI and CRI have now filed such an application *nunc pro tunc* and a courtesy copy is enclosed.

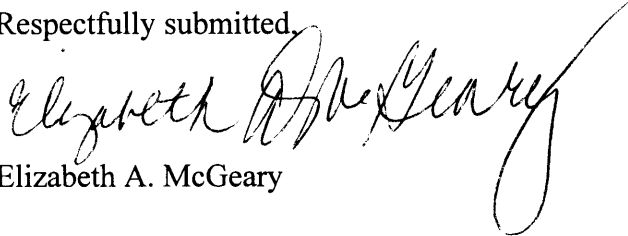

Because the *pro forma* application will remain pending for some time and the experimental station is currently in use, CRI requests an STA to operate the experimental station until such time as the *pro forma* application is granted, but no longer than a period of 180 days. Therefore, it is in the public interest to grant the requested STA so that CRI may maintain operations of this facility according to the transaction that already has received Commission approval.

Page Two

This request is accompanied by the appropriate filing fee of \$45.00, FCC Form 159, and an anti-drug abuse certification. Engineering specifications for the facility are listed in Attachment A.

Upon grant of the STA, CRI respectfully requests that a copy of the authorization be faxed to the undersigned or to the attention of Susan Anderson at (202) 776-2222. If there are any questions with respect to this filing, please contact the undersigned.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Elizabeth A. McGeary", written in a cursive style. The signature is positioned above the printed name.

Enclosures

ATTACHMENT A

- (1) Cox Radio, Inc.
610 South Ardmore Avenue
Los Angeles, CA 90005
- (2) STA is needed to ensure continued operation of station pending grant of *pro forma nunc pro tunc* assignment of license.
- (3) Description of operation and its purpose: Remote Broadcast Audio Transmission
- (4) Time and dates of proposed operation: Periodic
- (5) Mobile operation; call sign: KF2XJZ
- (6) Description of location and coordinates: Mobile, depending on use
- (7) Equipment: manufacturer, model and number of units: California Microwave Lynxx
Transportable Inmarsat B Earth Station
- (8) Frequency: 1626.50000 - 1646.50000 MHz
- (9) ERP: 2 kw
- (10) Emission designator: 20K0G1W
- (11) Height of antenna structure: 1 meter

ANTI-DRUG ABUSE ACT CERTIFICATION

The applicant certifies that, in the case of an individual applicant, he or she is not subject to a denial of federal benefits pursuant to section 5301 of the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 853a, or, in the case of a non-individual applicant (e.g. corporation, partnership or other unincorporated association), no party to the application is subject to a denial of federal benefits pursuant to that section. For the definition of a "party" for these purposes, see 47 C.F.R. § 1.2002(b).
