DISMISSED-WITHOUT PREJUDICE

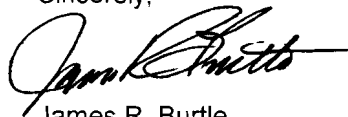

Dear Bill Hurlock,

This refers to application, File No. 0674-EX-ST-2011, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. Special event remote broadcast applications are reviewed on a case by case basis. The branch policy is that each event must be identified and reviewed. We do not authorize blanket six month STAs that would establish a defacto broadcast service under a Part 5 license. Please only apply for each specific event. Multiple events may be applied for under a single application but they must be clearly listed.

Responses to this correspondence must contain the Reference number : 15363

Sincerely,
