+Sean

I went over this with the applicant (Henry Cohen) a few weeks ago and informed him not submit the application fees in a batch directly with CORES, but I suppose he did so prior to our conversation.

The application fee has been paid for all three applications, and the fee can be overridden. Please attach a copy of this email as a confirmation to all three STAs shown below and process them.

How do we proceed on this? They made a batch payment in CORES but ELS doesn't show.

Thanks,
Mira

Good afternoon Mira,

The remittance id doesn't exist in the ELS database as the user only paid through the CORES website. Also, OET ELS does not do batch payments for users as far as I know. OET ELS can only create one remittance id per application. I would think the user would need to refile for the six applications, but could you get in touch with Behnam or Nimesh about this?

Thank you,

Chinedu Ezekwerre

The payments do not show up in the ELS system as applied.
Could you please check?

Thanks,
Mira
