Crescomm Transmission Services, Inc.
AM&H #1300

Dear Ms. Searcy:

On behalf of Crescomm Transmission Services, Inc., Licensee of the above-referenced experimental maritime earth station facilities, there is transmitted an original plus one (1) copy of an Application for Renewal of the above-referenced License.

The renewal authorization should reflect, on its fact, pursuant to Crescomm's prior requests for reissuance of its authorization, that the License authorizes 45 shipboard earth stations, and that the License authorizes communications through INTELSAT, PAS-1 and GTE Spacenet IV.

A check payable to the Federal Communications Commission in the amount of \$35, in payment of the required filing fee, is attached.

Should there be any question regarding the attached Renewal Application, please contact the undersigned.

Very truly yours,

Denise B. Moline
