This document is a request for 'fee exempt' status for Special Temporary Authority to operate a Radar Instrumentation under form 442 file number **0751-EX-ST-2015**.

The application is filed by a state university (i.e., The University of Kansas) for the purpose of conducting and completing a federally-funded research grant.

The data derived from these radars will allow scientists to better model and predict the flow of ice sheets in Greenland and Antarctica.
