

Date: March 2, 2004
Subject: Form 442 Question 4: Government Project Description
From: David Masucci
To: Whom it may concern
FCC ID: Q5ZQUPID2003

The STA for the QUPID product will expire on April 3rd, 2004. This application for an experimental license complies with the requirement that we file for this license at least 15 days prior to the expiration of the STA. It is our understanding that by doing so, we may continue to operate under the STA guidelines and stipulations.

The contract number is F19628-97-D-0038, the agency is the USAF Electronic Systems Center, Force Protection C2 Systems, and the Point of Contact is Dan Grejdus, Contracts Specialist, 781-377-7713.

Regards,
Dave Masucci
