This STA has been renewed several times. STAs are intended for short term duration. How much longer do you need to test? If this is for long term testing it should be filed as a regular license. Please provide the Air Force contract number. Why is this not being authorized through the Air Force?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of September 21, 2005 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
