This statement is to be attached as an article for our FCC application for an experimental station as a request for exemption of fees.

Cutting Edge Media is an extracurricular program offered cooperatively involving students from Northern Middle School, Northern High School, and Turkeyfoot Valley Schools.

The purpose [of the club] is to teach foundations of radio and broadcast television practices and principles of production, and engineering.

We meet Tuesday evenings at 6:30 PM at 100 Lakeside Drive Markleysburg, Pennsylvania.

Thank You,
JOHN WYRICK
