

Request for Confidentiality for Exhibit 1

In accordance with 47 CFR Part 0.459 (b), CVRx, Inc. (CVRx) requests that **Exhibit 1** submitted in the application for an Experimental License be held confidential and not made available for public inspection for the following reasons:

- 1) **Identification of the specific information for which confidential treatment is sought:** CVRx requests that information disclosed in Exhibit 1 along with correspondence that discloses information presented in Exhibit 1 be kept confidential.
- 2) **Identification of the Commission proceeding in which the information was submitted or a description of the circumstances giving rise to the submission:** CVRx's application for an Experimental License (Form 442 File Number 0451-EX-PL-2008).
- 3) **Explanation of the degree to which the information is commercial or financial, or contains a trade secret or is privileged:** The request for confidentiality pertains to information which addresses both commercial and trade secret concerns.
- 4) **Explanation of the degree to which the information concerns a service that is subject to competition:** The information in Exhibit 1 concerns the development of a device for the medical electronics industry. The medical electronics industry is highly competitive and developing products for this industry involves a substantial degree of financial investment and financial risk.
- 5) **Explanation of how the disclosure of the information could result in substantial competitive harm:** Disclosure of CVRx's intention to perform the research project disclosed in Exhibit 1 will inform our competitors of the company's future business strategy.
- 6) **Identification of any measures taken by the submitting party to prevent unauthorized disclosure:** CVRx maintains Non-Disclosure Agreements with all participants in the proposed research project as well as vendors supplying equipment related to the proposed research project.
- 7) **Identification of whether the information is available to the public and the extent of any previous disclosure of the information to third parties:** As of this date, no information related to the proposed research project has been made available to the public by CVRx. Disclosures to third parties are protected by Non-Disclosure Agreements.
- 8) **Justification of the period during which the submitting party asserts that material should not be available for public disclosure:** CVRx requests the material be withheld from public disclosure for a period of 4 years. This period will provide CVRx suitable time to develop the product for sale in the market.
- 9) **Any other information that the party seeking confidential treatment believes may be useful in assessing whether its request for confidentiality should be granted:** None.
