Subject: Request for Info - File # 1196-EX-ST-2020

Message:

1. The FCC's International Bureau requires the submission of SpaceCap data to complete evaluation of your application. In accordance with the provisions of Article 9.1 and Appendix 4 of the Radio Regulations, mandatory submission of a SpaceCap file for each individual space station is required. The software and instructions may be downloaded from the ITU link <http://www.itu.int/en/ITU-R/software/Pages/spacecap.aspx>.
2. Your filing says that the University of Montana is in control of the uplink from Bozeman, MT. Explain why the uplink wasn't submitted in a separate filing under the University of Montana's name since applications should be filed by the entity that is in control of the transmitter.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of September 04, 2020 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
