To Whom It May Concern:

This is to certify that:

Datagear, Inc. deploys and/or manages radio frequency equipment.

The RF experimentation will be conducted by following a strict Test Plan defined and approved by Datagear, Inc. in a controlled environment.

Datagear, Inc. will have a Project Manager in place to specifically follow the Test Plan, track results, and publish test results.

Datagear, Inc. has extensive RF experience and expertise deploying RF networks and has a number of RF engineers on permanent staff.

For the above reasons, I believe Datagear, Inc. meets the eligibility criteria for a Special Temporary Authority (STA) experimental license as set forth in the Commission Rules.

Sincerely,

Lee M Coffey
