DISMISSED-WITHOUT PREJUDICE

Dear Mr. Barroso,

This refers to application, File No. 5725-EX-PL-97, for Experimental Radio License.

You are advised that this office is unable to grant your application for the facilities requested and, as such, it is hereby dismissed. The operation as described in your application does not fall within the scope of service as defined under Section 5.202 of the FCC Rules and Regulations. It appears that you may be eligible under Part 90 of the Rules and you may be able to apply for license with the Land Mobile Radio Services. For more information, contact the Consumer Assistance Branch of the Wireless Telecommunications Bureau at 1-888-225-5322.

Sincerely,

Paul L. Marrangoni
