Subject: Request for Info - File # 0679-EX-CN-2021

Message:

Your recent response (09/02/2021) did not address our specific request:

With respect to authorization of operation in the 3700-3800 MHz band, please provide additional information on how the application will avoid causing harmful interference to incumbent operators in this band, including FSS earth stations. A list of registered incumbent FSS earth stations in the band can be found at the following link: <https://docs.fcc.gov/public/attachments/DA-20-823A2.xls>

Are there any plans to coordinate with nearby FSS ESs in order to avoid interference?

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of September 10, 2021 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
