Message:

RE: Pending application for DMT, LLC - file no. 0670-EX-PL-2007

Please be advised that the applicant has requested a change in frequency from 9.20 GHz to 9.23 GHz with a radiated power output all above 9.20 GHz.

A copy of their request will be uploaded as an attachment to their pending application.

Please advise if any additional information is required.

Thank you,
Darryl Richard
