John,

Thank you so much for processing our experimental license application so quickly. Will we get a hard copy of the license in the mail, or should we just print a copy from the OET website? Also, I noticed that I misspelled our power station in Waterford CT, the station name is Millstone (not Milestone).

Importance: High

John,

Thank you for speaking to me this morning regarding Dominion's pending Experimental Radio Service application, file number 0344-EX-PL-2007. I would like to request you make one

addition to our application. At Location 4 - Waterford, CT Millstone Power Station, please add a 2.0 km Radius of Operation.

Please let me know if your have any questions or need any additional information. Thanks again for your help.
