DISMISSED-WITHOUT PREJUDICE

Dear Marcus Berney-Smith,

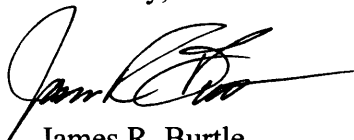

This refers to application, File No. 0071-EX-PL-2004, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. You have requested a broad range of frequencies that pose potential harmful interference to licensed users. We can not proceed any further with your application at this time.

If you still wish to pursue this testing, we recommend that you prior coordinate with licensed users to select appropriate frequencies.

Responses to this correspondence must contain the Reference number : 3266

Sincerely,

A handwritten signature in black ink, appearing to read "James R. Burtle", with a long horizontal flourish extending to the right.

James R. Burtle
Chief
Experimental Licensing Branch
