Thank you for your response. Please amend your application to specify the spot frequencies you select after you conduct your interference studies. The Commission is not able to engineer frequency selections for applicants. If you need additional assistance you may wish to contact frequency coordinators and communication consultant firms.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of March 30, 2006 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
