DISMISSED-WITHOUT PREJUDICE

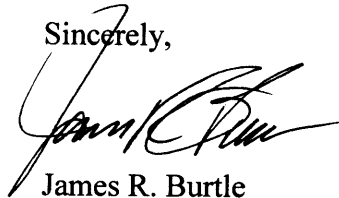

Dear Timothy W Brown,

This refers to application, File No. 0155-EX-PL-2004, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. Your application requests frequencies that require prior coordination with the FAA. We can not proceed any further with your application at this time. If you still wish to pursue this testing, we ask that you prior coordinate with the FAA and submit documentation of their coordination when you refile.

Responses to this correspondence must contain the Reference number : 3270

Sincerely,

A handwritten signature in black ink, appearing to read "James R. Burtle", is written over the word "Sincerely,".

James R. Burtle
Chief
Experimental Licensing Branch
