

Exhibit 1

This Modification seeks to make as a permanent part of the license file, pursuant to 47 CFR 5.77(b), an update to the model numbers for the first two items of transmitting equipment listed in Exhibit 1, Section 3, to the original license application. The two new models of transmitting equipment are as follows:

SI-8649A/PF/S3B25S1T6A

SI-8649A/PF/S3B25S3T6A

No other changes have been made to the facilities authorized in the license.
