Our Spectrum Coordination Branch is requesting additional information. Your exhibit does contain the stop buzzer information. Please address the other questions.

"please provide us with the Government Contract number and POC along with the Stop Buzzer info (POC/Telephone). Also, we need to know what are the minimum number of frequencies required to support wideband testing in the band M314 - M316? Please note wideband assignments are limited to M314.525 - M315.750."

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of April 18, 2013 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
