

Additional information for File Number 0037-EX-CM-2012

Duotech Services Inc. is developing an airborne air-to-air radar system. Authorization was granted to Duotech Services under File Number 1062-EX-CN-2020 with the call sign WL2XMA to operate the radar in a mobile (airborne) platform in the vicinity of Franklin, NC. Duotech Services now has need to operate the system in four controlled airspace areas over and near Florida (over water) for additional testing.

This application is a request to add to the original license these four designated areas of operation. The system being tested is the same system that received the approval under 1062-EX-CN-2020. The center of operation for these four new areas are:

30° 07' 00"N, 83° 00' 00"W

30° 15' 00"N, 80° 00' 00"W

29° 30' 00"N, 86° 30' 00"W

35° 20' 00"N, 75° 50' 00"W

Operations will take within a radius of 80kM from these center points.
