Re: E. F. Johnson Company
Requests for Special Temporary Authority

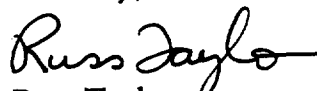

Dear Carl:

Enclosed, pursuant to our recent discussion, are the nine replacement STAs for Transcript International, Inc. Transcript intends to assume control over E. F. Johnson Company in a stock transaction that will be concluded on July 15, 1997. Therefore, we respectfully requested expedited consideration of these STA requests, and urge you to process them by July 11, 1997.

As we discussed, it is our understanding that the Commission's issuance of STAs in this matter will be conditioned upon its timely receipt of the requisite processing fees and original-signature requests for STA. The original version of each these requests was filed with the Commission's Pittsburgh lockbox today.

Please fax the processed STAs to my attention at (202) 289-1504. If you have any questions concerning this matter, please call me.

Sincerely,

Russ Taylor

Re: **Request for Special Temporary Authority**

Dear Sir or Madam:

Transcript International, Inc. ("Applicant"), pursuant to section 90.145 of the rules and regulations of the Federal Communications Commission ("FCC" or "Commission") hereby requests Special Temporary Authority ("STA") to control and operate the Experimental Radio Service station (the "Station"), specified in Exhibit A, under the Terms and conditions currently permitted, for a period not to exceed 180 days. Applicant has filed, under separate cover, an application and related documents seeking the Commission's approval for the transfer of control of the Station from E. F. Johnson Company ("E.F.J."). A copy of that application, which does not propose a change in the Station's technical parameters, is attached hereto.

The transfer of the Station is incidental to a larger transaction between the Applicant and E.F.J. The Applicant is a manufacturer of land mobile radio and encryption equipment and is acquiring E.F.J. in a stock transaction. The parties desire to close their transaction shortly, but require prior FCC approval to conclude that portion of their transaction that involves FCC-licensed assets. Accordingly, the Applicant requests STA. The Applicant understands that if the application for transfer of control is not granted, it will be required to cease operation of the Station.

The Applicant certifies that no party to this request is subject to the denial of federal benefits pursuant to the Anti-Drug Abuse Act of 1988, 21 U.S.C. § 862. This STA request is accompanied by the requisite processing fee of \$45.00, fee type code **EAE**.

If you have any questions concerning this STA request, please contact Russell H. Fox, Gardner, Carton & Douglas, 1301 K Street, N.W., Suite 900, East Tower, Washington, D.C. 20005, (202) 408-7113.

Respectfully submitted,
