Message:

Dear Mr. Kennedy:

I received your e-mail (reference #2868) regarding application 0088-EX-ST-2004. You correctly inferred that I meant 10 parts per million rather than 10%. I apologize, and obviously, 10% is way beyond anything reasonable. Thank you for bringing this to my attention.

Best wishes,

James E. Whedbee, M.Ed.
