

MEMORANDUM FOR: Mr. John Kennedy 03-02-04
Federal Communications Commission
Experimental Radio Branch

FROM: James E. Whedbee, M.Ed.
East Elementary School Radio Club

RE: Use of Voice Emissions in Citizen's Band
As part of experimentation to coordinate activities

Dear Mr. Kennedy:

As part of my club's program of experimentation, I would appreciate the authority to use of voice (A3E & J3E) emissions in connection with the citizen's band experimentation, if that's OK. Thanks again!

Best wishes,

/s./ James E. Whedbee
