

Request for confidentiality for Exhibit 1:

In accordance with 47 CFR 0.459, EBR Systems Inc requests that Exhibit 1 for an experimental license be treated with confidentiality and not be made available for public inspection.

- (1) Item to be treated confidentially: **Exhibit 1** as part of FCC Experimental License File **Number 0679-EX-CN-2017, Form 442.**
- (2) Extent of trade secrets or privileged or confidential technical data: Content of Exhibit 1 contains trade secret information and business activities that EBR Systems Inc has not publicly disclosed. The medical device industry is a competitive industry and disclosure of information in Exhibit 1 could result in informing our competitors regarding the nature of our technology and business not otherwise publicly disclosed.
- (3) Preventative actions employed: EBR Systems routinely uses non-disclosure agreement when sharing confidential information with development and strategic partners.
- (4) EBR Systems Inc requests the information be held confidential for a period of 3 years to allow completion of the clinical trial and follow-on commercialization activities.
