Subject: Request for Info - File # 0718-EX-CN-2020

Message:

This STA is for a variant of our EchoGuard radar. Per the Equipment Authorization for our EchoGuard radar, the correct emission designator is FXN:

https://apps.fcc.gov/oetcf/tcb/reports/Tcb731GrantForm.cfm?mode=COPY&RequestTimeout=500∓tcb_code=&application_id=icPQIEVjoUwuTXRNgm6o6Q%3D%3D&fcc_id=2ANLB-MESAS SR00053

For radars, symbols 0-9 are not applicable because they all involve the transmission of information (e.g. voice, video) and radars are not transmitting information. Therefore X is the correct choice.
