

**Post-Grant Attachment For
FCC Part 5 Experimental License WP2XWL**

REQUEST TO UPDATE LICENSEE NAME

This attachment respectfully requests the Federal Communications Commission (“FCC” or “Commission”) to update the licensee name shown on the experimental license issued to Bosch Security Systems, LLC, under call sign WP2XWL (ELS File No. 0872-EX-CN-2025) to reflect a change in the licensee’s name, but not its ownership. Specifically, this application seeks to update the name of the licensee from “Bosch Security Systems, LLC” to “**Electro-Voice Dynacord LLC**” consistent with the licensee’s attached corporate filing.

In addition, this is to update the room number associated with the licensee’s address from “Suite 101” to “**Suite 110.**”

The processing of this request would serve the public interest, as it would allow the licensee to update the agency’s records relating to the name and address of the licensee for call sign WP2XWL.
