Subject: Request for Info - STA File # 0426-EX-ST-2002

Message:

STAs can only be granted for periods of six months or less. Requests for demonstrations lasting longer than that should be filed as regular experimental license applications on Form 442.

Location information should be as detailed as possible. Requests for use throughout the continental U.S cannot be authorized without detailed justification.

Please respond to the above two items on how you wish to proceed.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of December 03, 2002 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
