

FCC Experimental Special Temporary Authorization

Call Sign: WG9XCP

File number: 0879-EX - ST - 2012

Name: Energia Logistics, Ltd

Expedited Request for the OET Experimental Licensing Branch to honor the following **frequency modifications:**

Energia Logistics, Ltd hereby requests expedited processing. Testing operations are planned to begin on Monday, January 7, 2013 at 1300 Pacific Standard Time. In order to better support testing the satellite within the faring, this frequency modification is requested to eliminate potential interference that could be detrimental. Delay in testing the system would pose a significant detriment to the customer and its support personnel.
