S u i t e 4 0 0

Gentlemen:

Ensemble Communications Inc. ("Ensemble") hereby requests an Experimental Radio Service license to operate LMDS field trial test sites throughout the United States, to develop and test equipment.

S a n D i e g o

This license will cover the development, testing and demonstration of experimental and prototype equipment for use in the Part 101 fixed microwave services. It will also cover the demonstration of equipment at customer locations and at trade shows. Ensemble Communications is a manufacturer of such equipment.

C A 9 2 1 2 2

An FCC Remittance Advice form and a fee payment of \$45 are attached.

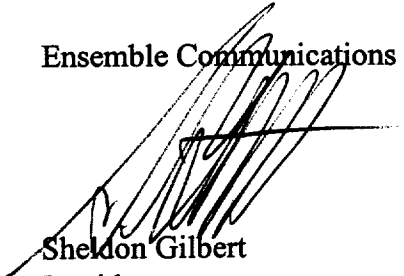

For additional information about this operation, please contact Bill Simpson, our Vice President of Customer Support, whose direct line is (619) 535-2825.

P h 619.458.1400

Sincerely,

Ensemble Communications Inc.

F a x 619.458.1401

Sheldon Gilbert
President
