Subject: Request for Info - File #0406-EX-PL-2007

Message:

1. You must electronically submit a narrative statement using the "Add Attachments" filing option on <https://fjallfoss.fcc.gov/oetcf/els/index.cfm> describing in detail the program of research and experimentation proposed, the specific objectives sought to be accomplished; and how the program of experimentation has a reasonable promise of contribution to the development, extension, or expansion, or utilization of the radio art, or is along lines not already investigated.
2. The agreement between the broadcasters and the Nuclear Energy Institute and the Utilities Telecom Council states that the equipment may be used with a maximum transmitter output power and effective radiated power (ERP) of 125 mW. You have requested more than that. Explain.

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of August 13, 2007 may result in application dismissal pursuant to Section 5.67 and forfeiture of the filing fee pursuant to Section 1.1108.
