FCC File #: 0065-EX-RR-2001- Reply

Message:

This experimental license is no longer needed and the application is to be cancelled. This is due to the fact that Ericsson Inc. has sold the operation that previously used these frequencies and the new identity will or has applied for their own experimental license.

If you have further questions or comments, please give me a call or e-mail.
The telephone number is 434 592-7732.
