DISMISSED-WITHOUT PREJUDICE

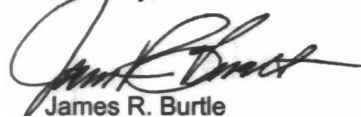

Dear 1634 I Street, NW,

This refers to application, File No. 0035-EX-ST-2008, for an experimental authorization.

You are advised that the Commission is unable to grant your application for the facilities requested. NTIA objects to the instant STA on the grounds that the use of the band 1710 - 1720 MHz over the large areas requested will cause interference to government operations. NTIA suggests that Ericsson coordinate with the agencies concerned under the present STA 0379-EX-ST-2007 to limit operations or schedule use.

Responses to this correspondence must contain the Reference number : 6163

Sincerely,

A handwritten signature in black ink, appearing to read "James R. Burtie", is written over a light gray rectangular background.
